SUNDAY, JULY 9

DOWNHILL MOUNTAIN BIKE RACE

RACE #2 IN THE GO-RIDE GRAVITY SERIES

The race will feature Nordic Valley's classic Fezzari trail. This track has been described as "fast and liquid" as it flows down, blasting through some steep tree sections with a few technical 'trouble makers' and a terrain park mixed in, but not so tough that Cat 2/3's will be intimidated. This will be the first real bike traffic on this trail in nearly three years which should result in excellent course conditions.

Downhill Start Times — Downhill racing begins at 11:30 a.m. with Cat 2 and 3's on course first. Individual start times for the Downhill will be posted at 9:00 a.m. on Sunday morning, at the base of the Apollo chair lift. You should be loading on the lift no later than 20 minutes prior to your official start time. The downhill race will be a one-run format. Please be at the start gate early. If you miss your seeded start time you may not get a timed run. Just make sure you're on time for your start.

PRACTICE & LIFT RIDE INFORMATION

The courses will be marked and open for practice from 9:00 am on Saturday morning up until 11:00 a.m. on Sunday. Lift fees for practice AND race day are NOT included in your entry fee.
